

## **CSA International Announces Increase in Prices**

Effective December 1st, 2009 a price increase will go into effect for CSA International services. For the past two years, we have held our pricing and have not passed on any cost increases to our customers. The new pricing reflects the increased cost of operating in a competitive global marketplace.

Please contact Client Services to obtain your quote on future services. Call us toll free at **1- 866-797-4272** (within North America), **416-747-2661** (outside North America) or email us at [client.services@csa-international.org](mailto:client.services@csa-international.org). Should you have any inquiries, our client services representatives are standing by to assist you.

Thank you again for selecting CSA International and for the trust you place in us.
